NEW BOOK IS SETTING THE CHURCH ON FIRE

“Message from God” – A powerful new voice in Christian circles

PRETORIA – MC Pherson House is proud to announce the publication of its first title, **“Message from God”**, by Retha and Aldo MC Pherson (ISBN: 978-0-620-38441-4). This remarkable book tells the story of how a once picture-perfect family, became an utterly broken one who has had to learn what it means to be truly sold-out to God.

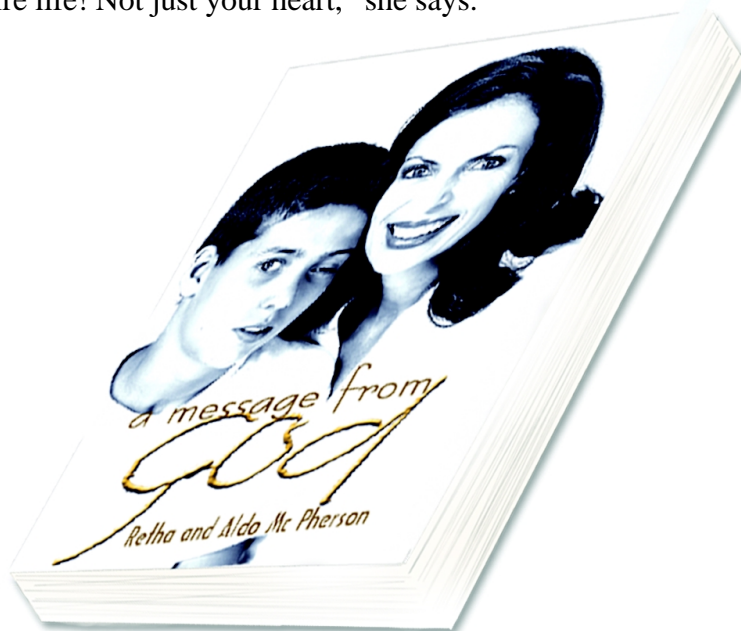

In essence, **“Message from God”** is about a 12-year-old boy who sustains severe brain injuries in a car accident and how God miraculously first heals him and now speaks to him through the Holy Spirit. The book also contains letters and journal inscriptions from Aldo in his own handwriting as he tries to convey the central message that Jesus is alive and coming back for His bride!

DO YOU KNOW WE'LL BE
TOGETHER IN HEAVEN,
MOMMY? WE WON'T EVER BE
SICK IN HEAVEN! THERE, GOD
IS ON HIS THRONE AND HIS
SON SITS NEXT TO HIM. HE
WANTS TO COME AND FETCH
HIS BRIDE, BUT SHE ISN'T
READY YET. SHE HAS TO STOP
SINNING BECAUSE GOD'S
BRIDE IS HOLY. MOMMY, YOU
HAVE TO TELL PEOPLE THAT
WE ARE THE LAODICEA
CHURCH. GOD'S JUDGEMENT
WILL BE ON THOSE WHO DO
NOT ACCEPT HIM.

Weet jy dat saam sal ons
wees in die hemel daar
gaan ons nooit weer
siek wees nie. Almar is
gesond en God sit op
sy troon en sy seun
sit langs Hom.
Hy wil sy bruid kom
haal maar sy is nie
gereed nie. Sy moet
haar sondes weerleë want
God se bruid is heilig
Mamma moet vir die
mense sê ons is die
Laudisia gemeente. God sal
sy oordeel laat kom oor
die mense wat Hom nie
aanneem nie.

This real-life drama is told by Aldo's mother, former Mrs South Africa and renowned image consultant, Retha MC Pherson, who has since become a sought-after speaker at churches and women's conferences, both locally and internationally. The first part of the book is a powerful testimony of God's healing power and love for His children, while the last section of the book teaches the principles for living an abundant life.

"People don't know or recognise the power of God anymore," says Retha MC Pherson. "Whenever God's awesome power is manifested and miracles happen, people are sceptical, asking, 'What church do they belong to?', but I want to tell people that God still performs miracles today. He still talks to His children and He cannot stand lukewarm Christians." Retha explains that God wants our all. "He wants your entire life! Not just your heart," she says.

Filled with Scripture references, and direct quotes from the Bible, "**Message from God**" will ignite the sparks of the Holy Spirit in your life and bring you closer to God, while Aldo's letters give a sense of authenticity not often found in miracle stories. This book challenges the complacent church to do introspection. It asks; is God still your first love? Are you really sold-out to Him? These and other pertinent questions have started the debate in the church about its Christ-expectancy and are causing a stir among people from all denominations who seek God's face in earnest.
